PORT OF PORT LAVACA/ POINT COMFORT  
TARIFF NO. 003

SECTION ONE  
Rule 34:

RULES

Original Page No. 1  
ITEM

SUBJECT:	GENERAL INFORMATION	
SUBRULE 1:	DEFINITIONS:	100
	The following definitions will apply to this tariff and will supersede all the others that may be in conflict:	
	(1) PORT AUTHORITY: This shall mean the Port of Port Lavaca/ Point Comfort.	
	(2) DOCKAGE: The charge assessed against a vessel for berthing at a wharf, pier, or bulkhead structure, or bank or for mooring to a vessel so berthed.	
	(3) WHARFAGE: A Charge assessed against the cargo or cargo owner on all cargo passing or conveyed over, onto, or under wharves or between vessels (to or from barge, lighter, or water) when berthed at wharf or when moored in slip adjacent to wharf. Wharfage is solely the charge for use of wharf and does not include charges for any other service.	
	(4) FREE TIME: The specified period during which cargo may occupy space assigned to it on terminal property free of wharf demurrage or terminal storage immediately prior to it loading or subsequent to the discharge of such cargo on or off the vessel	
	(5) WHARF: Any wharf, either open or shedded, belonging to or operated by the Port of Port Lavaca/ Point Comfort.	
	(6) WHARF DEMURRAGE: A charge assessed against cargo remaining in or on terminal facilities after the expiration of free time, unless previous arrangements have been made for storage.	
	(7) TERMINAL STORAGE: The service of providing warehouse or other terminal facilities for the storing of inbound or outbound cargo after the expiration of free time, including wharf storage, shipside storage, closed or covered storage, open or ground storage, bonded storage, and refrigerated storage, after storage arrangements have been made.	
	(8) HANDLING: The service of physically moving cargo between points of rest and any place on the terminal facility, other than the end of ship's tackle.

Rule 34:

RULES

Original Page No. 2  
ITEM

**SUBJECT: GENERAL INFORMATION**

<b>SUBRULE 1:</b>	<b>DEFINITIONS:</b>	100
Issued: September 1, 2022	(9) <b>LOADING AND UNLOADING:</b> The service of loading or	
Effective: September 1, 2022	unloading cargo between any place on the terminal and railroad	
	cars, trucks, lighters, or barges, or any other means of conveyance	
	to or from the terminal facility.	
	(10) <b>USAGE:</b> The use of terminal facility by any rail carrier, lighter operator, trucker, shipper, or consignee, their agents, servants and/or employees, when they perform their own car, lighter, or truck loading or unloading, or the use of said facilities for any gainful purpose for which a charge is not otherwise specified.	
	(11) <b>CHECKING:</b> The service of counting and checking cargo against appropriate documents for the account of the cargo or the vessel, or other person requesting same.	
	(12) <b>HEAY LIFT:</b> The service of providing heavy-lift cranes and equipment for the assembly or distribution of cargo.	
	(13) <b>SHED AND/OR WHARF USE HIRE:</b> The charge assessed against a vessel loading or discharging cargo and utilizing wharf shed or sheds and/or wharf for the assembly or distribution of cargo.	
	(14) <b>THIRD PARTY USE OF AMMONIA/ ACTYLONITRILE FACILITY:</b> A bonafide third party user shall be required to submit to the Port Authority, a written offer for the use of the ammonia/ acrylonitrile storage tanks. A written offer must include the specifications of the product, the amount of the product, and an estimated tenure of product storage.	
	(15) <b>THIRD PARTY USER PENALTY FEE:</b> The fee of \$5.00 per short ton per day, plus actual vessel demurrage cost incurred by BPC if the third party user fails to remove the stored ammonia and/or acrylonitrile within the same period stated in its written offer.

PORT OF PORT LAVACA/ POINT COMFORT  
TARIFF NO. 003

SECTION ONE  
Rule 34:

RULES

Original Page No. 5  
ITEM

SUBJECT: GENERAL INFORMATION		
SUBRULE 5:	CONSENT TO TERMS OF TARIFF: The use of the waterways and facilities under the jurisdiction of the Port of Port Lavaca/ Point Comfort shall constitute a consent to the terms and conditions of this tariff, and all evidence and agreement on the part of all vessels, owners and/ or agents, and other users of the facilities, to abide by the rules, regulations and charges specified in this tariff and all amendments and reissued tariffs and to be governed by all rules and regulations contained herein and in all amendments and/or reissues thereof. The Navigation District shall be sole judge as to interpretation of this tariff.	120
SUBRULE 6:	SPEED LIMIT: This tariff adopts the rules and regulations of the Secretary of the Army as they apply to the waterways of this District. A portion of which is quoted as follows: (A)"A vessel shall reduce its speed sufficiently to prevent any damage when approaching another vessel in motion, or tied up, a wharf or other structure, works under construction, plant engaged in river and harbor improvement, levees withstanding flood waters, or any other manner of structures or improvements likely to be damaged by collision, suction, or wave action." (33 CFR 207.180 (E) (4, Navigation Regulations).	125
SUBRULE 7:	DISCHARGING OF OILS, WASTER, BALLAST, RUBBISH INTO TURNING BASIN OR CHANNEL: No vessel within the limits of the port shall throw, or allow to be thrown any scraps, refuse or debris of any sort which might pollute, defile, or clog the waters of the turning basin or ship channel. This especially applies to oil, and the Masters Federal Laws in such cases, and to this end, it is recommended that all vessels when pumping fuel from one tank to another have all scuppers securely stopped so that overflow will not find its way into the harbor or ship channel.	130
SUBRULE 8:	LIGHTS: All vessels or barges shall display lights from sunset to sunrise while laying at any wharf or dock, or lying at anchor within the turning basin; vessels to conform to navigation rules, when anchored in the channel, and barges to display white lights visible all around the horizon at least eight feet above the water line on their outside or channel corners.	135

ITEM

**SUBJECT: GENERAL INFORMATION**

---

SUBRULE 9:	<p><b>COLLISIONS:</b> In the event of collision between any craft or Vessel with another craft or vessel, or between a craft or vessel and any wharf, dock, pier, bridge system, a written report shall be submitted to the Port Director, "by the pilot and the master, owner, agent or operator of said dock or facility, setting forth the time, place, cause, nature and consequences of such collision, provided that in the case of a minor collision, where the vessel is under way as said report may be mailed by the master of said vessel from the next port at which vessel calls and provided further that the collision report of an owner shall not in any case relieve the pilot of the duty of rendering his report within the time herein specified.</p>	140
SUBRULE 10:	<p><b>CARGO STATEMENTS:</b> All vessels, their owners and agents shall, within five days after date of sailing of any such vessel, report to this Port of Port Lavaca/ Point Comfort, all cargo loaded or discharged at all points within the Port of Port Lavaca/ Point Comfort Harbor and/or Ship Channel. Such report shall be certified to by a duly authorized person as being true and correct and according to ship's actual manifest and shall show the following, separated as to loading or discharging ports: (A) Name of Vessel; (B) Date of Arrival; (C) Date of Departure; (D) Number of Packages or Units; (E) Identifying Marks; (F) Weight in short tons; (G) Origin of Outbound Cargo; (H) Port of Discharge of Outbound Cargo; (I) Loading Port of Inbound Cargo; (J) Destination of Inbound Cargo; (K) Port of and Final Discharge Port of Transshipped Cargo.</p> <p>Owners and agents shall be required to also furnish any other information which the Port Director may deem necessary for the purpose of identifying the cargo and for issuing billing against cargo and/or vessel, and for properly compiling commercial statistics, or for other purposes deemed necessary by the Port Director for conduct of its affairs.</p>	145
SUBRULE 11:	<p><b>ISSUED:</b> October 17, 2018 <b>REMOVAL OF SHIPS:</b> All vessels entering the Port will be assigned a berth, or mooring place by the Port Director, or his designee, which shall not be changed without his sanction.</p>	150

PORT OF PORT LAVACA/ POINT COMFORT  
TARIFF NO. 003

SECTION ONE  
Rule 34:

RULES

Original Page No. 7  
ITEM

SUBJECT: GENERAL INFORMATION

SUBRULE 11:	REMOVAL OF SHIPS: Whenever it is deemed necessary, the Port may order a vessel to vacate a berth, to change berths, or to shift position at wharf when (1) the vessel is not actually engaged or is no longer engaged in loading or discharging cargo; (2) another vessel holding an agreement granting the preferential use of the berth at the time presents itself at the berth; (3) the vessel's presence presents a potential hazard to the berth, the Port's facilities, or the property or persons of others; (4) the vessel is performing shipyard maintenance or repair or the vessel's maneuverability is impaired; or (5) there exists any other cause that in the reasonable discretion of the Port requires the berth to be vacated. Due notice of this shall be given to the Master or person in charge, who shall take immediate steps to comply with the order, and in case of failure or neglect to comply with the order, the Port Director shall have the right to cause vessel or craft to be moved as ordered and at the expense and risk of the craft in question.	150
SUBRULE 12:	HARBOR AND SAFETY REQUIREMENTS: All vessels or crafts shall at all times be properly made fast in the berth of place assigned them using good and sufficient moorings which shall be to satisfaction of the Port Director who at any time shall have the right to demand that more or stronger moorings be put out, or that the same be changed or moved as may be deemed advisable or necessary; and all such vessels or crafts shall in all other respects comply with Harbor Regulations of the Port Lavaca/ Point Comfort Port Authority, copy of which may be obtained from the Port Director.	155
SUBRULE 13:	FIRE SIGNAL: In the event of fire occurring on board any vessel in the harbor except vessels under way, such vessels shall sound five prolonged blasts of the whistle or siren as an alarm indicating fire on board or at the dock to which the vessel is moored. Such signal shall be repeated at intervals to attract attention, and is not substitute for but shall be used in addition to another means of reporting a fire. The words "prolonged blast" used in this rule shall mean a blast of from four to six seconds' duration.	160

ITEM

SUBJECT: GENERAL INFORMATION		
SUBRULE 14:	VHF RADIO COMMUNICATIONS	165
	<p>The Port of Port Lavaca/ Point Comfort is a multi-user facility and for the safety of port, vessel and other entity representatives on public port premises, the following VHF radio communications policy shall be mandatory:</p> <p>The Port of Port Lavaca/ Point Comfort is licensed to operate on two frequencies: (1) Channel 16- hailing/ all calls; (2) Channel 07- inner harbor communications.</p> <p>All vessels in port and port users on port premises will monitor VHF Channel 07 for vessel, cargo, and emergency communications. Port users will conduct business on VHF Channel 07 on port premises, and will identify themselves as "COMPANY NAME" operator or "FACILITY NAME" calling other party. Examples are as follows" "Formosa and/or BP operator on Liquid Pier North calling Motor tanker X", "Motor Tanker X calling Formosa and/or BP operator on Liquid Pier South", or "Port Operations Tower calling barge X"</p>	

SECTION TWO	SUBJECT: RULES & REGULATIONS GOVERNING USE OF FACILITIES	
SUBRULE 15:	<p>Issued: October 17, 2018</p> <p>Effective: October 17, 2018</p> <p>ARRANGEMENTS FOR BERTH: All steamships, tankers, and barges, or their owners or agents, desiring a berth at the public facilities of the Port shall, as far in advance of the date of docking as possible, but not less than 48 hours prior to anticipated vessel arrival, make application for berth in writing on forms prescribed, specifying the date of docking, sailing, show the nature and quantity of cargo to be transferred, and provide proof of P &amp; I Club coverage. The application for berth must be submitted to the Port Director. Subject to preferential berthing privileges granted under leases with the Port, to the maximum extent possible, vessels will be berthed at publicly-owned facilities in a "first come - first serve" order. Preferential berths notwithstanding, Port reserves the right to assign berths and/or change the assignment of berths already reserved, for the best utilization of Port facilities, taking into account any and all elements which the Port in its sole discretion, chooses to consider in order to achieve the best berth and facilities utilization and is in the best interest of the Port.</p>	170

SECTION TWO  
Rule 34:

RULES

Original Page No. 9  
ITEM

SUBJECT: RULES AND REGULATIONS GOVERNING USE OF FACILITIES

SUBRULE 16:	RESPONSIBILITY FOR LOSS OR DAMAGE  (A) The Port of Port Lavaca/ Point Comfort will not be responsible for the injury or loss of any freight being loaded or unloaded at the public wharves, or while on wharves or in warehouses awaiting shipment or delivery, and will not be responsible for any delay to same; nor for injury to or loss of freight on its wharves or in its sheds by fire, leakage, or discharge of water from fire protection sprinkler system; collapse of building, shed platforms, wharves; subsidence of floors or foundations; breakage of pipes; nor for loss or injury caused by rats, mice, moths, weevils, or other animals or insects, frost, or the elements; nor shall it be liable for any delay, loss or damage arising from combinations of strikes, tumult, insurrection, or acts of God; nor from any of the consequences of any of these contingencies. Steamship companies arranging to use the wharves shall be required to furnish watchmen service at all times when they have a vessel at the wharves. Users of its facilities agree to indemnify and save harmless the Port of Port Lavaca/ Point Comfort from and against all losses, demands, and suits for damages, including death and personal injury, and including court costs and attorneys' fees, incident to or resulting from their operations on the property of the Port of Port Lavaca/ Point Comfort. (B) No provisions in this tariff shall limit or relieve the Port of Port Lavaca/ Point Comfort from liability for its own negligence, nor require any persons, vessels, or operators to indemnify or hold harmless the Port of Port Lavaca/ Point Comfort from liability for its own negligence.	175
SUBRULE 17:	PAYMENT OF CHARGES AND RESPONSIBILITY THEREFORE: EXTENSIONS OF CREDIT AND LIENS  Wharfage, demurrage, car loading and unloading (when not absorbed by the ocean carrier) are due from the owner, shipper or consignee of the cargo, and shall be collected for and on behalf of the Port of Port Lavaca/ Point Comfort by the vessel discharging or unloading the cargo, or for which the cargo was received, through the vessel's owner, agent or other person duly authorized to do so, and such vessel and its owner and agent, jointly and severally, shall guarantee and be liable for the payment of such charges to the Port of Port Lavaca/ Point Comfort whether or not collected by such vessel or its owner or agent. The use of the wharf or other terminal facility by the vessel or its owner or agent shall constitute acceptance and acknowledgement of this agency, guaranty and liability.	180

---

SUBRULE 17: PAYMENT OF CHARGES AND RESPONSIBILITY 180

THEREFORE: EXTENSIONS OF CREDIT AND LIENS

All bills rendered by the Port of Port Lavaca/ Point Comfort for wharfage, dockage, wharf demurrage, shed and/or wharf use hire; charges for providing water and electricity; charges for equipment rental; charges for cleaning wharves and sheds; charges for terminal storage, special services, other services and claims; or for any causes whatsoever, are due and payable in cash upon presentation, unless arrangements for extension of credit are made. All payment is required within thirty days of invoice date. When credit arrangements have been made, any agents, owners, persons, firms or corporations receiving bills and failing to make full payment after presentation within the time permitted under the credit arrangements may be placed upon a cash basis.

The Port of Port Lavaca/ Point Comfort does not recognize the numerous shippers or consignees and cannot attempt to collect or assist in collecting any port invoices of bills which may be passed on to shippers and consignees by the vessel, its owners and agent. Such bills must be paid regardless of when the vessel, its owner and agents are reimbursed. Any errors in billing will be rectified by the Port of Port Lavaca/ Point Comfort.

The Port of Port Lavaca/ Point Comfort reserves the right to estimate and collect in advance, all charges which may accrue against vessels, their owners and agents, or against cargo loaded or discharged by such vessels, or from other users of the facilities of the Port of Port Lavaca/ Point Comfort whose credit has not been properly established with the Port of Port Lavaca/ Point Comfort. Use of such facilities may be denied until such advance payments or deposits are made.

The Port of Port Lavaca/ Point Comfort, at its option and subject to termination at its election, may at any time and from time to time extend credit to any user or other person conducting business with the Port of Port Lavaca/ Point Comfort under the provisions of this tariff or amendments or reissues thereof by such user or other person establishing and maintaining financial responsibility

ITEM

**SUBJECT: RULES AND REGULATIONS GOVERNING USE OF FACILITIES**

---

SUBRULE 17:	PAYMENT OF CHARGES AND RESPONSIBILITY THEREFORE: EXTENSIONS OF CREDIT AND LIENS acceptable to the Port of Port Lavaca/ Point Comfort, or by posting and maintaining a single transaction or a period or an annual surety bond in form and content and with corporate surety acceptable to the Port of Port Lavaca/ Point Comfort in an amount equal to 125% of maximum liability on a single transaction or equal to an estimated period or estimated annual maximum liability. Further extension of credit may be suspended or terminated by the Port of Port Lavaca/ Point Comfort subject to the establishment of added or extended credit acceptable to the Port of Port Lavaca/ Point Comfort. The Port of Port Lavaca/ Point Comfort reserves the right to apply any payment received against the oldest bills rendered against vessels, their owners and agents, or other users of the facilities. Presentation of bills to owners and agents of vessels or to stevedores is done as a matter of accommodation and convenience and shall not constitute a waiver of the liens for charges furnished a vessel for which the maritime law gives the lien.	180
SUBRULE 18:	DELINQUENT LIST: All vessels, their owners, agents, or other users of the facilities of the Port of Port Lavaca/ Point Comfort must pay their invoices within thirty (30) days of the date of the invoice, or be placed on a Delinquent List and be placed on a cash basis, or be denied further use of facilities by the Port Director until cargo reports have been filed and all overdue charges thereon, together with any other charges accruing to the Port of Port Lavaca/ Point Comfort, shall have been paid.	185
SUBRULE 19:	CLEANLINESS OF PREMISES Steamship agents, stevedores and other users of the Port of Port Lavaca/ Point Comfort cargo wharves, docks and facilities are held responsible for the proper cleaning of any property assigned to an used by them. The Port of Port Lavaca/ Point Comfort will clean and sweep such premises at a charge of cost plus 20%, with a minimum charge of \$35.00.	190
SUBRULE 20:	DAMAGE TO PROPERTY OF THE NAVIGATION DISTRICT Vessels, persons, firms or corporations damaging the facilities of the Port of Port Lavaca/ Point Comfort will be held responsible for all damage to such facilities occasioned by them or individuals or equipment under their supervision. Any such damage will be repaired and the full replacement costs thereof billed against the vessel, party or parties responsible.	195

**SUBJECT: RULES AND REGULATIONS GOVERNING USE OF FACILITIES**

SUBRULE 24:	INSURANCE	215
PART ONE	<b>LIABILITY AND PROPERTY INSURANCE</b>  All persons and entities doing business on or in connection with the facilities of the Port of Port Lavaca/ Point Comfort shall keep in full force and effect Public Liability and Property Damage Insurance covering its operations to be carried out upon and in connection with the Public Facilities of the Port of Port Lavaca/ Point Comfort. The limits of liability shall be \$2,000,000 general liability and personal injury coverage in the amount of \$1,000,000 per occurrence. The policy or policies shall contain a clause that the insurer will not cancel or change the insurance without first notifying in writing the Port of Port Lavaca/ Point Comfort at least thirty (30) days in advance. The policy shall specify that the Port of Port Lavaca/ Point Comfort be added as an additional insured on each policy. Such insurance shall be placed in a company or companies having a current Best's General Policyholders Rating of A+ or A and Best's Financial rating of at least XII, or their equivalents, and a copy of the Policy or policies of Insurance, or Certificates of Insurance shall be delivered to the Port Director of the Port of Port Lavaca/ Point Comfort. Certificate of Insurance so furnished shall certify that the Policy or Policies comply with the requirements of this item.	
PART TWO	<b>VEHICLE LIABILITY INSURANCE</b>  All vehicles entering the Port Premises will be required to show proof of automobile liability insurance as required by the State of Texas. All vehicles not in possession of proof of liability insurance will not be allowed to enter Port premises until such proof of coverage is produced.	
PART THREE	<b>WORKERS COMPENSATION INSURANCE</b>  Workers' Compensation Coverage (with U.S. Longshoremen and Harbor Workers Act coverage, if workers are working aboard a vessel and/or performing longshore duties) of \$500,000 must be carried. Each port user will provide, when required, certification of Jones Act/ U.S. Longshoremen and Harbor Workers Act coverage in addition to statutory Workers Compensation coverage.	
PART FOUR	<b>VESSEL AGENTS/ PORT USERS INSURANCE</b>  Vessel agents and port users are requested to advise companies whom they contract with to provide supplies and/or services on public port premises to furnish the Port Authority, in advance of their arrival, with certification of their insurance coverage. Entities without proper insurance certification cannot be allowed access to the public port facilities until proper insurance certification has been received.

ITEM

SUBJECT: RULES AND REGULATIONS GOVERNING USE OF FACILITIES		
SUBRULE 25:	NO PARKING Vehicles, automobiles, trucks and self-propelled mechanical handling equipment shall not be parked or left unattended on the docks at the Port of Port Lavaca-Point Comfort unless in an area designated for such parking, or as authorized by the Port Director.  Vehicles so left in unauthorized areas may be towed away and impounded by Port of Port Lavaca/ Point Comfort and such vehicles shall be reclaimed only on payment of \$25.00 towing fee.	220
SUBRULE 26:	HANDLING OF HAZARDOUS COMMODITIES Shipment of articles classified as explosive or dangerous by the U.S. Coast Guard will be accepted only after a full compliance by shippers or delivering carrier with the rules and regulations of the Department of Transportation governing the transportation of such articles. Wharfage and handling facilities will not be provided except under special arrangements.  Acids, oils and empty gasoline or distillate drums must be removed from the wharves at once. The storage, keeping or use of gasoline, distillate, or other liquid petroleum products on property under control of the Port of Port Lavaca/Point Comfort, except at such localities may be specifically designated therefor, is strictly prohibited, and at such localities as may be designated for the same shall not be handled except between sunrise and sunset; and vessels will be allowed to take on board gasoline or distillate only between 8:00 AM and 5:00 PM, and when vessel is otherwise ready to depart. Delivery must be made direct from trucks to the vessel and the trucks will not be allowed to wait on the wharves. Conformance should be made also so such further rules or regulations as may be issued by other state, federal or municipal authorities.  For the protection and safety of the Port of Port Lavaca/ Point Comfort, users of its facilities, and the general public, rights are reserved to issue such directives or regulations as may be deemed necessary by the Port of Port Lavaca/ Point Comfort to insure safe handling, stowing, loading, discharging or transportation of explosives or dangerous articles within confines of Port of Port Lavaca/ Point Comfort facilities or waterfront. Notification is required prior to ender of explosives or dangerous articles.  The Port of Port Lavaca/ Point Comfort may refuse the use of its facilities or waterfront for the handling, stowing, loading, discharging or transportation of such explosives or dangerous articles which are considered by the Port Director as offering undue risk or exposure to such risk.	225

**SUBJECT: BULK MATERIALS HANDLING DOCK**

**SUBRULE 51: PUBLIC PORT FACILITIES 350**

Issued: June 12, 2024

Effective: June 12, 2024

(A) All visitors, vendors and tenants seeking access to the premises of the Calhoun Port Authority (the "Port" or "CPA"), including but not limited to its parking areas, docks, wharves, warehouses, and unimproved lands (the "Port Premises") have access to such Port Premises only in compliance with all applicable rules, regulations, tariffs, and operating policies of the Port, the United States Coast Guard, the National Security Agency, the Homeland Security Agency, the Maritime Administration, and any other federal or state agency or bureau with jurisdiction provided by law. Such compliance shall include, but not be limited to: (1) providing appropriate identification documentation such as a TWIC card; (2) complying with visitor login procedures; (3) staying within the confines of approved portions of the Port Premises including those areas which, by operation of MARSEC status designations, are not accessible to the visitor either generally or at the time of the visit; (4) transiting directly to and from the designated approved destination; (5) being located on the Port Premises only for the approved time duration; and (6) conducting only those activities made the basis of the approved presence on the Port Premises and with persons for which such permission was granted.

(B) In addition to, and not in lieu of, complying with the requirements of the preceding paragraph (A), all visitors to the Port Premises who are not employees of, or vendors or suppliers of materials to, a tenant of or vessel moored at the Port, must first obtain the approval or invitation of the tenant or vessel agent, master or captain, or the designee of such persons, in advance of being permitted to enter into or upon any Port Premises.

The public port facilities of Port Lavaca/Point Comfort will be an entirely non-smoking facility.

**SUBRULE 52: RATES, RULES AND REGULATIONS 355**

Equipment: Belt Conveyor, Dump Pit, Capstan for moving vessel and Concrete.

Use Charge: A single charge of 50¢ per ton of 2000 lbs. will be assessed for use of this facility subject to the following exception:

Exception:

1. Where the characteristics of the commodity are such as will, in the opinion of the management, prevent satisfactory rate of handling or result in damage to the conveyor or vessel, the published rate will not apply. A rate for handling such cargo will be provided upon request.

HARBOR TUG SERVICE:

365

Harbor Docking & Towing (361) 987-2515, provides resident harbor tug service at the Port of Port Lavaca/Point Comfort public facilities. Base rates as shown below:

Docking / Undocking.....	\$4,326
Dock/Shifting Berth to Berth in Same Zone.....	\$4,572
Escort to/from Jetties.....	Hourly rate
Hourly Rate .....	\$1,750
Work Below Beacon #73-#74.....	Hourly rate

**Tonnage Fees:** Vessels will be charged a graduated fee based on tonnage for each 1,000 tons GRT (rounded to the next 1,000 GRT), as listed in Lloyd's Shipping Index and according to the following schedule:

Up to 19,999:	\$27.00	40,000 to 59,999:	\$36.00
20,000 to 39,999:	\$33.00	60,000 and above:	\$40.00

**Rates:** Rates shown in this tariff are for a single tug docking or undocking only.

**Overtime:** Services performed between the hours of 1700 and 0800 will incur an additional charge of 35% of the tariff rate. Overtime charges are applicable when service either commences or completes in an overtime hour. In addition, overtime services will be charged all day Saturday, Sunday, and holidays. Overtime is not subject to discount.

**Hourly Rate:** A rate of \$1,750 per hour of fraction thereof per tug will be charged. The hourly rate will commence upon the tug leaving its berth and terminate upon the tug's return to its berth. If tugs provide service during overtime hours, the vessel will incur an additional charge. The hourly rate is not subject to a discount.

**Fuel Surcharge:** All charges are subject to prevailing fuel surcharge. Fuel surcharge is not subject to discount.

**Emergency Towage, Vessels Aground or in Distress:** The terms of this agreement do not apply to vessels aground or in distress. Such services will be performed under our Emergency Services contract. Rates quoted on request.

WASTE REMOVAL

SUBRULE 55: REMOVAL OF APHIS WASTE: 370

OTHER FOREIGN GARBAGE AND NON-APHIS WASTE AND  
NON-APHIS WASTE GARBAGE:

Definition:

"APHIS Waste" means garbage which is on or unloaded from any means of conveyance at a place which is subject to general surveillance for compliance by the Animal and Plant Health Inspection Service ("APHIS") of the United States Department of Agriculture. "APHIS Waste Garbage" means all waste material derived in whole or in part from fruits, vegetables, meats or other plant or animal (including poultry) material, and other refuse of any character whatsoever that has been associated with any such material on board any means of conveyance, and including food scraps, table refuse, galley refuse, food wrappers or packaging materials, and other waste material from stores, food preparation areas, passenger or crew's quarters, dining rooms, or any other areas on vessels, aircraft, or other means of conveyance.

Non-APHIS Waste and Non-APHIS Waste Garbage:

Non-APHIS Waste and Non-APHIS Waste Garbage in small quantities may be removed from all vessels and placed in a designated is not greater than one-half of the capacity of the shoreside refuse container provided by the Navigation District. Quantities greater than this amount must be placed in a container (or containers) which will be contracted for by the Navigation District. Such special refuse removal will be charged to the vessel by the Port of Port Lavaca/ Point Comfort at actual cost of the services plus 20%. The Port of Port Lavaca/ Point Comfort requires a minimum of 24 hours prior notification in order to arrange special refuse removal services.

APHIS Waste and APHIS Waste Garbage: APHIS Waste and APHIS Waste garbage may be removed from vessels only in 3.3 cubic foot cardboard containers which are lined with 4 mil plastic liners (cardboard containers with liner will be furnished by the Port of Port Lavaca/ Point Comfort at no cost). The containers may be removed from the vessel only under the authorized supervision of a Port of Port Lavaca/ Point Comfort employee and will be clearly marked as follows:

VESSEL NAME:

DOCKED AT

TIME/DATE REMOVED FROM VESSEL:

\_\_\_\_\_ OF CONTAINERS REMOVED FROM VESSEL

OTHER FOREIGN GARBAGE AND NON-APHIS WASTE AND NON-APHIS GARBAGE: The minimum charge for APHIS Waste and APHIS Waste Garbage removal services at the Port of Port Lavaca/ Point Comfort is \$550.00. This minimum charge applies to the removal of from one (1) to twenty (20) 3.3 cubic foot containers. Each APHIS Waste and APHIS Waste Garbage 3.3 cubic foot container over twenty (20) will be charged at the rate of \$27.50 per container.

Prohibited Material: All Waste (both APHIS and Non-APHIS), Waste Garbage (both APHIS and Non-APHIS) and refuse to be removed from vessels at the Port of Port Lavaca-Point Comfort specifically excludes radioactive, volatile, highly flammable, explosive, biomedical, toxic, infectious or hazardous material. The term "Hazardous material" shall include, but not be limited to, any amount of waste listed or characterized as hazardous by the United States Environmental Protection Agency or any state agency pursuant to the Resource Conservation and Recovery Act of 1976, as amended, or applicable state laws.

---

SUBRULE 56: ABANDONING, DUMPING, DISCHARGING, ETC. 375  
OF WASTE MATTER:

(A) All vessels, their owners or agents, and other users of Port of Port Lavaca/ Point Comfort facilities shall comply with all federal, state or local regulations with regard to the placing or discharging into Port waters, either directly or through private or public sewers, any sanitary sewage, butcher's offal, garbage, dead animals, gaseous liquid or solid matter, oil, gasoline, residuum of gas, calcium carbide, trade waste, tar or refuse or any other matter covered by such laws or regulations of any such authorities.

(B) Vessels discharging oil from bilges or tanks into the aforementioned waters will be reported to the United States Coast Guard for prosecution under appropriate federal laws. Throwing ballast, rubbish, dunnage or any other mater into the aforesaid waters is strictly prohibited.
